Show Committees receiving this Rule book in preparation for conducting a horse show that is to be approved by The Illinois Hunter and Jumper Association, Inc., should pay particular attention to the restrictions defining those Divisions that are approved by The Illinois Hunter and Jumper Association in order for points accumulated by Exhibitors at said show to be counted for the Year-End Awards in those Divisions.

Show committees should also note that the requirements for The Illinois Hunter and Jumper Association Medal Class should be printed in the prize list as shown in the section of this Rule Book regarding the conduct of Medal Class.

Members of The Illinois Hunter and Jumper Association are encouraged to carefully read this Rule Book because of the recent Rule changes that will affect tabulation of points for Year-End Awards, and the addition of new Divisions and changes in existing Divisions.

Members are responsible for checking the accuracy of their points and notifying the IHJA of any errors within 30 days of the points posting. Send points corrections to the email address points@IHJA.com. The IHJA must be notified of any corrections prior to November 1st. **All posted points become final on November 1st of the competition year.**

5. No credit will be given for in-state classes whose specifications are not in accordance with IHJA rules. Out-of-state classes may have different specifications, however, they MUST be IHJA sanctioned.
6. Ownership of a horse and/or pony may be transferred during the show season without affecting the animal's accrued points. Awards will be made to the owner as shown in the IHJA recording files at the time the horse wins its last point in competition. It is the responsibility of the new owner to notify the Executive Secretary of a transfer of ownership.
7. ***RIDERS WHO MEET A CLASS/ SECTION ELIGIBILITY RULE AT THE FIRST SHOW IN WHICH THEY COMPETE WILL REMAIN ELIGIBLE FOR THAT SECTION FOR THE ENTIRE SEASON, REGARDLESS OF WINS DURING THE SEASON. HOWEVER, THEIR ELIGIBILITY FOR THE NEXT SEASON WILL BE DEPENDENT UPON THOSE WINS***

Class Placings shall have the same point value, even if less than the specified six (6) places are awarded, due to lack of entries.

12. BONUS POINTS AWARDED FOR DIVISION CHAMPIONSHIPS –

At both IHJA “A” (USEF ‘A’, ‘B’, ‘C’ rated) and IHJA “B” shows, there must be a minimum of two (2) entries in each class of a division for year end championship points to be awarded. If there are less than two (2) entries per class, the competitors will receive points for their individual classes, but they will not receive division championship nor reserve championship bonus points.

Note that horse shows may **at their discretion** award championship ribbons and prizes when there are fewer than two (2) entries per class. However, IHJA year end points will not be awarded in these cases.

When calculating the division champion and reserve, the process is as follows:

- 1) The points awarded from all over fences classes are subtotaled, and the top four (4) "over fences" horses identified.
- 2) These top four (4) horses over fences are eligible for Championship and Reserve Bonus Points (the other horses are not eligible, do not earn points from model or under saddle classes and are not included in any further calculation).
- 3) Points from any model and under saddle classes are added to the subtotals of these top four (4) "over fences" horses, and the top two (2)

horses determined from this final calculation.

4) Provided there was the required minimum number of entries per class, these final top two (2) horses are awarded champion and reserve bonus points.

Championship and Reserve Bonus Points	
Champion	Reserve
20	12

When shows are small and there are less than two entries per class, divisions may be combined. If unable to combine divisions riders may compete and receive points for individual classes only, not champion or reserve champion bonus points.

13. "B" CIRCUIT - DOUBLE POINT SHOWS

"B" Shows with 75 entries or less, horses and riders will receive the standard tabulation of points. "B" Shows with **more than 75 entries** will receive double the point tabulation.

14. In the event of a tie, a Year-End Award will be presented to each competitor.
15. To be eligible for IHJA year end awards, competitors must participate in the over fences classes of a division. A year end award may not be earned solely from participation in under saddle classes.
16. Scores of all horses and/or ponies and equitation riders shall be kept by the IHJA Points Secretaries. Results received from IHJA recognized shows shall be the sole basis upon which the scores are tabulated and the IHJA tally; thus derived, shall be the final authority in determining the winners.
17. Members are responsible for checking the accuracy of their points. For corrections, please email the Web Master at Points@IHJA.com. All corrections must be made two weeks prior to the banquet date. After this date, all points shall be deemed final.

All IHJA registered ponies in the Horse Show must either be measured, or present their active measurement card obtained from the IHJA.

Non IHJA registered ponies will be charged a Non-member Measurement Fee of \$15.00 for each show (permanent cards will not be issued to non-members). Measurement fees and forms will be forwarded to the IHJA Executive Secretary.

A Pony must be measured each competition year until it reaches the age of six. Upon attaining the age of six years, the Pony will be issued a Permanent Measurement Card, upon which the card does not have to be renewed again.

Measurement must take place at an IHJA sanctioned Horse Show and the Pony shall be measured in the presence of the Horse Show Steward, and either the Horse Show Manager or a designee of the Board of Directors. No Pony shall be issued an Official Measurement Card unless it is entered and shown at that competition.

Measurement shall be performed by the Steward and/or Board Member at a time and place set prior to the first Pony Class. Such measurement shall be taken with an approved measuring stick, and signed by the Steward and Manager of the show, or person approved by the Board of Directors of the IHJA.

Upon submission of a written protest to the IHJA Steward and/or Board Member and the appropriate fee of \$100.00, the owner or trainer may protest the height of any pony competing in a class in which he/she is also competing. Such protest must be tendered no less than one hour prior to the end of competition on the day which the pony was exhibited.

Upon receiving payment of the written Protest and payment of the appropriate Fee, the Steward and/or Board Member shall immediately measure the pony in order that the height of the heel may not be altered. If the Pony exceeds the height of the section entered by 1/2", then the Pony shall forfeit all winnings for that Show and points to date accumulated in that section shall be forfeited. The Pony may then transfer to the appropriate section. The Owner may appeal this decision. In the event of an appeal, the Owner shall post \$100.00 with the IHJA and be given a date, time and place for the appeal hearing. Present at the hearing shall be the Steward and/or Board Member measuring the protest, either the Horse Show Manager or the designee of the Board of Directors who witnessed and signed the Measurement Form and the Hearing Committee.

Upon such determination of the Hearing Committee, the Pony shall either have it's points reinstated, or points accumulated shall remain forfeited. The results of the Committee shall be final.

A new measurement may be required by an owner for a pony that has never been protested and would need to change it's present shoeing status for medical purposes, injury or new ownership.

MEASUREMENTS ARE SOLELY FOR THE INTERNAL USE OF THE ILLINOIS HUNTER AND JUMPER ASSOCIATION FOR COMPETITION HEIGHT REQUIREMENTS AND DO NOT CONSTITUTE ANY REPRESENTATION OF WARRANTY REGARDING MEASUREMENT INFORMATION; ACCORDINGLY, THE ILLINOIS HUNTER AND JUMPER ASSOCIATION, LICENSED OFFICIALS AND RECOGNIZED COMPETITIONS MAKE NO REPRESENTATIONS AND SHALL HAVE NO LIABILITY WHATSOEVER FOR MEASUREMENT ERRORS.

THIS CARD MUST BE PRESENTED TO ALL HORSE SHOW OFFICIALS BEFORE THE PONY BEING ENTERED MAY SHOW.

SHOW STANDARDS COMMITTEE

Chairman: IHJA Board

This Committee shall consist of the Chairman, the Co-Chairman, and a panel of eight persons who have been selected from a list of volunteers.

The object of this Committee is to assist all Show Managers in having a successful horse show. This is achieved through maintaining an updated set of guidelines for the Show Managers for reference. RE: pages 9 & 10 in this IHJA Rule Book, Horse Show Criteria. Also, the Committee is responsible for keeping the Horse Show Secretary's office stocked with Horse Show standards reports. These are forms which the exhibitors and trainers may fill out at each show and send to the Chairman of this Committee, enabling them to voice their opinion on the condition of the show, be it good or bad. It also allows the exhibitors to make any suggestions as to the betterment of the show.

These reports are then reviewed by the Show Standards Committee throughout the year, and brought up to the Board of Directors during the show season. The Show Standards Committee will review this information and take the appropriate action with the assistance of the Board of Directors. This is the only way that we, the IHJA, can be kept abreast of the likes and dislikes of our members. We need your opinions to keep the quality of the show circuits both "A" & "B" at a standard above other associations.
